Curitiba is a City with about 1.5 to 2 million of habitants, and it is the capital of the Parana State in the south of Brazil. (More information will be provide through home pages, like the following:
<http://www.pr.gov.br:80/curitiba/turismo/ctbatur.html>)

Curitiba has an international airport, which is actually situated in the satellite town named "Sao jose dos Pinhais", and the distance from the airport and Curitiba downtown is about 15 Km (20 minutes driving). I will be providing more information, concerning taxi, bus and fees.

Although this is an international airport, in general, the international flights coming from distant countries have connections in Rio or Sao Paulo airports.

About Visa: I realized the Brazil request visa from people coming from countries that request Visa from Brazilians. I am not reporting any low, but it is a reference. You may have more information in the Brazilian Consulship in your country. I think it will not be difficult to achieve Visa to come to Brazil.
If somebody needs anymore information or reference, make me know.

My colleagues and I welcome all SC32 members to come to Curitiba meeting.

Best regards,
Vanderlei
