INFORMATION ON SC32 MEETINGS IN HELSINKI, 2.-13. OCTOBER 2000

Meeting Location

All the meetings will be held at Hotel Aurora, which is located some 2,5 kilometres (1,5 miles) away from the city center and in the corner of lively eastern part of downtown. **Also the accommodation is arranged at the same hotel.** The hotel rooms are quite small yet cozy and renovated which means, that the choice for staying at hotel Aurora is worth considering. Attached is also a list of other hotels in Helsinki which have made an agreement with the Finnish Standards Association SFS.

The address of the hotel is:

Hotel Aurora
Helsinginkatu 50
FIN-00530 Helsinki

Tel (international) +358-9-770 100
Fax (international) +358-9-770 10 200
E-mail: hotel.aurora@hdl.mailnet.fi

We have managed to negotiate a corporate price for accommodation, and the prices in Hotel Aurora are as follows:

FIM 510 per day (single room) (about \$ 85)
FIM 620 per day (double room) (about \$ 105)

The prices include breakfast, free access to sauna, pool and gym plus taxes (8 % VAT).

In order to get your room for the above mentioned price you need to mention code "SC32" when booking. You need to make room reservations of your own directly from the hotel by the 1st of September 2000. Otherwise the hotel cannot guarantee that there will be available rooms.

The NB of Finland would also be pleased if you also inform them of your participation. So, send a note to Mr. Hannu Pelkonen in order to allow us make good meeting preparations. The address information of Mr. Pelkonen is as follows:

Getting around

From the Helsinki airport to the hotel

You can either use the airport bus from the airport to the city center (railway station) and take a taxi (cab) from the station to the hotel, or you can make the whole trip by taxi. The prices are as follows:

Aiprot bus (one way trip) FIM 25 (\$ 4)
Taxi from the railway station to the hotel FIM 40 (\$ 8)
Taxi from the airport to the hotel FIM 120 (\$ 20)

The buses run every 20 minutes (peak hours) or every 30 minutes. There is no need for making a reservation for taxis in advance.

Getting around in Helsinki

Local public transportation in Helsinki is good. In order to travel between the hotel and downtown you can select subway (requires some 500 metres walk), tram or bus. A prepaid ticket costs FIM 8, and the ticket allows you to travel as much as you like within one hour from stamping/validating the ticket. It is also possible to buy a ticket from the driver in buses and trams yet the price is a bit higher (FIM 10).

Dining and wining

There is a possibility to eat lunch at the hotel. There are also several restaurants in the neighbourhood, and a usual price for a moderate lunch is FIM 40-50 (\$ 7.50-8.20) including taxes. Morning and afternoon coffee (and tea) will be served to the participants.

Weather

The weather in Helsinki in the beginning of October is usually a bit rainy and chilly. Highest daily temperatures can be 10 dergees centigrade (about 45 fahrenheit) and possibly even 15 degrees centigrade. The temperature seldom falls below the freezing point at that time of the year.

More information on the Meeting

- Electric current in Finland is 230 volts / 50 cycles. Power outlets are the same as in other Scandinavian countries and e.g. Germany.
- There are facilities for connecting to the Internet from the meeting location
- Although Finland is one of the biggest paper manufacturers in the world we also are ecologically aware. Therefore we encourage you to work electronically as much as possible. So, bring your computers and soft copies of documents with you.
