How to travel to Tallinn: The easiest way is to have a flight to Tallinn but you can also fly to Helsinki and take a boat from Helsinki to Tallinn. For more information or to check the visa status of your country, check the website of the Estonian Ministry of Foreign Affairs www.vm.ee/eng.

Accommodation: The host has reserved a batch of rooms from Uniquestay hotel. The rooms can be booked directly from reservationstallinn@uniquestay.com and subject of the e-mail should be "Edimanagement group no SC32/WG1". By giving the reference you can be sure that you'll have a room in the hotel. The hotel can guarantee the rooms until 13 October 2004.

The price of a single room (actually a double room for one person) is 83 EUR per night including continental breakfast. No additional charges or taxes. Double rooms are also available at the price of 90 EUR. More info on the hotel can be found in <http://www.uniquestay.com>. Quick Internet connections are available in each room without additional charge.

Naturally you are free to stay in some other hotel if you like: The list of hotels and hostels in Tallinn can be found in <http://www.tourism.tallinn.ee>. The meeting place is located close to the city center which means that the location is within walking distance from any hotel of the city center.
